GeMaX GET-TOGETHER @ SEA JAPAN 2018

Dear Madam or Sir,

Allow me the pleasure of inviting you on behalf of GeMaX to an informal get together at

Sea Japan, German Pavilion
Booth # GER-01 (Info Stand)
Thursday, April 12th from 12:30-14:30

Meet with design and equipment supply companies within the GeMaX export initiative and KfW-IPEX bank. Stop by for some snacks & drinks and use this opportunity to learn more about German equipment based financing for newbuildings and retrofits powered by GeMaX.

RSVP no later than March 30th by email to Kim_Leng.Koo@kfw.de or call Koo Kim Leng at +65 9231 7600. I look forward to having you join with other community partners to exchange news and ideas and take a closer look at our financing scheme and technical solutions for the challenges of tomorrow.

Yours sincerely,
